The psychedelic tripped out jazz sounds of Fogg are back with their second CD release, **Key 2 The Door**.

Founded by the prolific and mighty talented Jeff Raglus (horn/vocals) and Bruce Haymes (keyboards) Fogg feature the sublime vocals of **Atlanta Coogan**

and the highly esteemed rhythm section in Steve Hadley and Tony Floyd.

This quintet deftly dodges description falling somewhere between acid cocktail and flipped out urban funk.

Key 2 The Door is out now on Jazzhead.
