

# MIKE NOCK PROJECT MEETING OF THE WATERS

Jazzhead is proud to announce the debut release from  
The Mike Nock Project.

ARIA Award Winner Mike Nock formed the Mike Nock Project originally for the Wangaratta Festival in 2004. The musicians were chosen for the Project both for their individual abilities and for the way they would interact in this context. After an astounding debut performance, a recording was inevitable, Meeting Of The Waters followed shortly after. There are many moments of extraordinary music making throughout this recording, the kind of joyous magic that can only happen when a relaxed and supportive musical camaraderie is aligned with a strong unity of purpose.

Out now on Jazzhead.

The Mike Nock Project are:

Mike Nock, Julien Wilson, Steve Magnusson,  
Eugene Ball, Tim Wilson, James Greening,  
Dale Gorfinkel, Brett Hirst, Toby Hall.
