

Way Out West

Old Grooves for New Streets

HEAD085

Old Grooves For New Streets is the distinctive new album from acclaimed world-jazz group Way Out West.

Way Out West has developed a unique and alluring sound, which blends Vietnamese and African influences with jazz in a surprising and vibrant manner. Described by reviewer Shane Nichols as having "a distinctly Asian flavour, thanks to the bubbling, ethereal sounds of Nguyen's instruments, yet at the same time Knight and Williamson introduce a clear Western touch while Pereira in places takes it all the way to Africa. Like its name, I simply think this captivating mixture is Australian."

Featuring Peter Knight (trumpet), Dung Nguyen (dan tranh, dan bau, modified electric guitar), Ray Pereira (percussion), Paul Williamson (saxophones), Howard Cairns (bass) and Dave Beck (drums, percussion).

Way Out West's unique sound has gained them a reputation as one of the most Innovative and exciting groups on the Australian music scene.

Old Grooves for New Streets is out now on Jazzhead.
